Pre-Approval Request

A Pre-Approval Request allows you to submit a request to participate in certain outside activities (such as board service, outside academic appointment, expert witness, etc.), which is then reviewed by the appropriate individuals.

The Pre-Approval Request is proactive in nature, wherein you create requests in CAMS before you participate in those activities. The Pre-Approval Request is then sent for review by the appropriate reviewers, as determined by FSU. Based on the details of the Pre-Approval Request submitted, the reviewer makes an appropriate determination.

Pre-Approval Request Process

The discloser submits a Pre-Approval Request. The discloser will be notified if their Pre-Approval Request is approved or disapproved. The approved Pre-Approval Requests appear on the Approved requests section in your Disclosure Profile automatically. Once you complete the activity mentioned in this Pre-Approval Request, you can click the Mark Complete button. The Pre-Approval Requests marked as completed will be removed from the Approved requests section in your Disclosure Profile when your Disclosure Profile update is completed.

Note: These requests are still available for reference in the Disclosure Profile workspace, under the Pre-Approval Requests tab.
Submit a Pre-Approval Request

A Pre-Approval Request allows you to submit a request to participate in certain activities, which is then reviewed by designated individuals before making a determination. You can only select one activity in a Pre-Approval Request. If you have more than one activity that you need to request permission for, submit a Pre-Approval Request for each activity.

To create a Pre-Approval Request

1. From the Disclosure Profile workspace, click Request Pre-Approval.

2. Enter a name for this Pre-Approval Request (e.g., “Board service for the Johnson Foundation”, “Consulting for Acme Company”, etc.).

3. Select the type of Pre-Approval Request that you want to submit. The type of request that you select here drives the questions that you have to complete for this Pre-Approval Request. Click Continue to move to the next page.

   Note: You can only select one type of request at a time. If you need to submit requests for more than one type, complete the details of the first type and then create additional Pre-Approval Requests.

4. Complete the page and click Continue.

5. On the final page, click Finish. You are taken to the Requests workspace.

   Note: You can continue to edit the Pre-Approval Request (Edit Pre-Approval Request button) until you submit it.

Important! Clicking Finish does not send the Pre-Approval Request for review. It remains in the Pre-Submission state. You can continue to edit the Pre-Approval Request until you submit it for review. When the study is ready for COI review, you must submit it using the steps that follow.

Copy a Pre-Approval Request

CAMS allows you to copy a Pre-Approval Request that you previously submitted. Copying a Pre-Approval Request is helpful when the Pre-Approval Requests are similar, but the start and end dates of the activity are different.

When you copy a Pre-Approval Request, all details, including the type of request and activity information are copied along with it. Once the Pre-Approval Request is copied, the new Pre-Approval Request can be edited before the new Pre-Approval Request is submitted for review. You remain the discloser for the new Pre-Approval Request, and it appears in your inbox.
